

Let's Play Hockey!!!!

Where has the summer and fall gone? That is right we didn't have much warm weather. So why not play hockey??? Here is some important information to get the season going. This news letter will also be on the association website. Keep this one near by to future reference.

Equipment Night

Any player that is need of equipment needs to come to the rink on Tuesday October 27, 2009 from 6:00 p.m. to 7:00 p.m. to be fit with equipment. The associations has an assortment of sizes and will do the best with what we have to outfit as many kids as we can. We don't have enough for all. The smaller sizes have more to choose from. All players must have a colored mouth guard and is to be worn during all practices and games. Mouth guards are great for protecting brains !!!!

Work Hour Directions

Here is how you can document your work hours. Remember each family is responsible for 25 hours each year. If your hours are not completed by March 1, 2010 your work hour check will be cashed and the difference returned to you. There is a box in the lobby with forms that need to be completed in full with the player's name and team, time in and out and then countersigned by a board member. (Sandy Peichel, Tammy Becker, Bill Capra, Cory Anderson, Stephanie Jacobson, Renee Brown, Ken Hart or Cheryl Buechner). Also a parent rep for your child's team will also count. Put the completed form into the black box. Cheryl will check box weekly to update work hours. IF you have questions or concerns call Cheryl at 822-8286 or catch her at the rink. Any rink work or work for the association or teams will count as work hours. WITH THE EXCEPTION of home tournament work. Home tournaments are the responsibility of the hosting team.

Other Stuff

IF there is a coach that is scheduling a parent meeting, please contact a board member, so a board member can be there to answer any other questions.

The hockey board continues to work hard to make this association successful. It takes the work from all members and board to be successful. We are walking in the right direction but we need to keep working hard. Remember the real reason we do this is for our kids. Hope everyone has a fun and successful season.
